Transportation Improvement Program/Long Range Transportation Plan Interactive Meeting

Miami, FL. – The citizen advisory committees of the Miami-Dade County Metropolitan Planning Organization (MPO), the agency responsible for the transportation planning process in Miami-Dade County, are hosting an interactive, televised meeting for the Transportation Improvement Program (TIP) and the Long Range Transportation Plan (LRTP). The various transportation agencies within the County will be presenting their major projects to the public giving the viewing audience a chance to make comments and ask questions about them. Citizens will also learn how to utilize the web based InteracTIP to find out which projects are currently being worked on and which ones are scheduled for the future in their neighborhood. Citizens are encouraged to participate during the meeting via phone at 305-375-4507, fax at 305-375-4950, and/or email at mpo@miamidade.gov.
